Mr. Ross

would have sent these in sooner. When I was over to Phoenix & talked to you & Allen the rancher was going to make a tank out of the Pits - but changed their mind - so had to get someone to level off area before you inspected.

Hope you can expedite my \$5000-  
deposit - as I need it.

Thanks  
Raghu Whitmore

Dear Mr. Allen

My extension to drill state #1 in Santa  
Cruz County, Arizona expires April 2, 1981.

We are going back in and finish if we can  
get another 30 day extension. We should have  
been there by now, but it was hard to get a  
driller scheduled — so we are running short on  
time. So if you can bear with us for  
another 30 days we will be there.

Thank you,  
Ralph Whitmore

Dear Sir

Sorry I didn't write you sooner, but I  
got terribly sick. I thought I was going  
back in for a while but am getting  
better now.

We thought we had a deal with  
Anahita through another party - but I  
guess it probably went out when they  
made the Phillips deal. So we plan on  
making our own deal work soon

Thank you

Mr. John Donaldson  
P.O. Box 467  
Sonoita, Arizona 85637

Dear Mr. Donaldson:

I contacted Mr. Bill Allen with the State Land Department with reference to your converting Mr. Whitmore's attempted oil well into a water well. He advised there are two things you must do to get the necessary approval:

1. File an application with the State Land Department to make improvements on state lands. Address correspondence to:

Attention: Mr. Bill Allen  
Arizona State Land Department  
1624 W. Adams  
Phoenix, Arizona 85007  
Phone: 602-255-4629

2. File intent to drill a water well with:

Department of Water Resources  
220 N. Central, Suite 85  
Phoenix, Arizona 85003

For your information, Mr. Whitmore's well is State Permit 707, 824 feet from the north line and 775 feet from the east line in sec. 12, T. 20 S., R. 17 E.

I mentioned the old abandoned well we discussed and Mr. Allen said the same procedure would apply to it. If we can be of further assistance, please advise.
